

**Remarks/Arguments:**

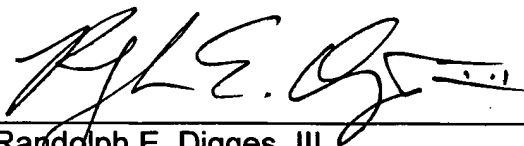

By this Amendment, claim 58 has been canceled. Accordingly, only claims 1, 3, 5, 10-31, 46, 47 and 51-57 are currently pending in the application.

In the prior Office Action, the Examiner rejected claim 58 under 35 U.S.C. §112, first paragraph, on grounds that the claim was not specific enough to meet the utility guidelines set forth by the U.S. Patent Office. Although applicants disagree with the Examiner's conclusion regarding claim 58, by this Amendment applicants have canceled claim 58 thereby making the prior rejection moot. Applicants reserve the right to prosecute a claim having the same scope as claim 58 in one or more continuation applications.

In the prior Office Action, the Examiner indicated that claims 1, 3, 5, 10-31, 46, 47 and 51-57 were allowed. Inasmuch as such claims are now the only claims pending in the application, the prompt issuance of a Notice of Allowance is earnestly solicited.

Respectfully submitted,

RANKIN, HILL, PORTER & CLARK, L.L.P.
